18. The apparatus of Claim 16 wherein the light source generates pulses of light.

19. The apparatus of Claim 16 wherein the light source generates pulses of polychromatic light.

20. The apparatus of Claim 16 wherein at least a portion of the sealed contact lens container is transmissive to light having wavelengths at least between about 180 and about 300 nm.

21. The apparatus of Claim 16 wherein the light has an intensity of at least about 0.01 J/cm<sup>2</sup>.

22. The apparatus of Claim 16 wherein at least about 1% of the light has a wavelength of about 260 nm.

23. A method of deactivating microorganisms comprising:

20 illuminating a sealed contact lens container with light, wherein at least a portion of the sealed contact lens container is transmissive to at least a portion of the light, the sealed contact lens container containing a preservative fluid and a contact lens; and  
25 deactivating microorganisms on the contact lens within the sealed contact lens container.

24. The method of Claim 23 further comprising deactivating microorganisms within the preservative fluid  
30 within the sealed contact lens container.

25. The method of Claim 23 wherein the illuminating step comprises illuminating the sealed contact lens container with one or more pulses of light.

## NOTICE OF OMITTED ITEM(S) IN A NONPROVISIONAL APPLICATION

### FILED UNDER 37 CFR 1.53(b)

A filing date has been accorded to the above-identified nonprovisional application papers; however, the following item(s) appear to have been omitted from the application:

- Page(s) 57 of the specification (description and claims).

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h)) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (i.e., the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.
